Christ the King OSHC | Term 4

Newsletter Issue 2- Term 4 13/12/2018

Hello to all the children, families, staff and communities.

We are already at the end of the school year 2018 and I am glad to say that we have had a very happy and enjoyable year in everything we have done. Like any other time we have been busy doing many activities. I am so thankful to all the parents for the help given to me when needed. Well done to all the children and I ask the children to keep it rolling year after year. The children get better by the day in all the activities they do playing with each other and getting along well. Some new children are very shy when they start but with our care, and before we know it they adapt with the other children. This is a great achievement! Parents are very happy to see the improvement in their children and have thanked me for our service. The children have been keeping with the weekly themes and it is wonderful to see their capabilities.

We have 15 or more children using our service. The busiest days are now Tuesday and Thursday. I have Sukwinder as my permanent assistant and I thank her and appreciate all the help she has given in our busy service. The children have given us some feedback saying, "OSHC is awesome, beautiful food is provided, there are lots of good games to play and the teachers are nice". The children always look out and help each other. Thank you children for the beautiful comments!

Please I kindly ask all the parents to go online and enrol your children for the new school year 2019 as it has to be updated each year. We also have to know the numbers of the children who will attend OSHC in 2019. Thank you.

As always if parents wish to have a chat with me about your child/ren learning, I am always available to do so. Parents are also more than welcome to get involved and bring in new ideas. If anyone has any queries, please do not hesitate to contact me via phone or visit me in the OSHC room. I would be more than happy to answer any questions you may have.

I would like to conclude by wishing you all a very happy festive season keeping Christ in your hearts because Christmas is all about Christ! May you all have a Blessed Holy Christmas and A Very Happy Healthy New Year. Have a safe enjoyable holiday and we will see you in 2019.

God bless all,

Bernadette – Coordinator
