

Newsletter

From our Principal

Dear Parents,

Firstly, a big thank-you to all of you for being so vigilant with following all our COVID restrictions. I know that for many of you this was your child's first Book Week Parade at school and this would have been celebrated with everyone present. I appreciate your support and understanding with this. The children had a great day and later in the newsletter we have some snapshots of the great book characters that appeared on the day.

Book Week Activities

Each day we have a special "BOOK FEST" activity.

Thursday, we celebrate the many cultures around the world and that we have in our school. Each child had a passport to visit a particular country and participate in an activity. They went from England and the UK where they built the Tower Bridge using Lego and building blocks over a make-shift River Thames. To Korea, where they participate in Korean creative drumming, visit Japan and participate in making a Cherry Blossom Tree, making Pocky Sticks and drawing Pokémon characters to beautiful lantern making in Vietnam. Dot painting in Australia and listening to first nation musicians, Spanish Dancing in Spain, Alpine hats from Northern regions of Italy, Flag making in India and making Leprechauns, Shamrocks, Celtic knots and Irish Dancing in Ireland. In China, they make Tangrams and participated in Chinese Dancing plus learning amazing facts about China. Each group rotated through a country and worked with different children from different year levels. Days like today are fantastic learning opportunities which extend children's thinking and knowledge in so many ways. It provides rich learning with different age peers and promotes creative, interpersonal, and problem-solving skills. Thank-you to all our teachers, co-educators (ESOs) and our student teachers from Flinders Uni who have put thoughtful effort into creating this great day of learning.

From the Principal (cont.)

Still more to come, today is pyjama day where children are invited to wear their pyjamas to school and we have Buddy Bedtime reading. Again, a rich activity of peer reading and learning and appreciation of books. We also have a prayer service to celebrate one of the greatest books ever known: The Holy Bible.

Thank-you P&F

On Wednesday, we had School Photos and fortunately, beat the rain to have our whole school photo. All the staff were very privileged to have lunch provided for them on behalf of the P&F on photo day which provided some light relief from a busy day. Many thanks for our delicious food that you took the time to organise and provide for us. We still have various activities happening with the P&F. Keep an eye on our fairy garden and there is more to come from the P&F: Fathers Day Stall and the School Disco.

We look forward to these events and thank the P&F for their continued support of our school.

Michael Grose Parenting Ideas

For parents, there is a very useful website by Michael Grose with a multitude of parenting ideas, tips and articles. In these testing times and uncertainties with the pandemic, social media pressures etc. we can all do with some helpful ideas about parenting. I certainly have found some insightful suggestions over the years from Michael Grose and as a grandparent to two young children, still find his website a useful read:

<https://www.parentingideas.com.au/>.

Long Service Leave

Next week, Ms. Teresa Pascoe will go on leave for five weeks. During this time Ms. Emma Heinrich will become Acting Religious Education Coordinator and take on this leadership role. Teresa's teaching role with RBL and Digitech will be taken over by Mr. James McCarthy and Ms. Kate Mainprize. We wish Teresa well during her leave.

Sport Carnivals

We have further sporting carnivals to participate in early next term. These include the Athletics Carnival and the Lacrosse Carnival. We desperately need volunteer help for these events from parents. Please claim the dates: 3rd and 17th November and see if you are available to be a team manager, (no experience needed) scorer or help in any way. Look out for further information, later this term and if you can volunteer it will greatly support the organisation and the school's involvement in the day.

Next week is the arrival of Spring, bring on the warm weather!

Warm Regards,

Helena

Pupil Free Day
24th September 2021

From the APRIM

This week sees the school celebrate all things 'BOOKISH'. We have dressed up, shared, donated and bought books in all shapes and sizes. On Friday we will celebrate the greatest book of all - THE BIBLE. In our data heavy world you may find these facts interesting.

1. The oldest man in the Bible is Methuselah- 99 years old
2. There is a total of 1,189 chapters in the Bible.
3. The Old Testament of the Bible has 929 chapters, the New Testament of the Bible has 260 chapters.
4. There is a serpent at the beginning and the end of the Bible
5. The tallest man is Goliath – 289cms
6. Psalm 117 is one the shortest chapter of the Bible.
7. The shortest verse of the Bible is John 11:35 ('Jesus wept').
8. The Bible was written in three languages: Hebrew, Aramaic, and Greek.
9. The word Christian only appears in the Bible 3 times

Do you have a Bible or Holy book in your house? Is it stored with reverence? Can you children easily find it? Good questions to ask ourselves in Book Week 2021.

1ST COMMUNION

Our delightful sacrament candidates celebrated their 1st Holy Communion on the Sundays of the 22nd and 29th of August. We congratulate them and wish them many blessing on this important occasion.

Made In the Image Of God (MITIOG)

It is that time of year again where all classes at Christ the King participate in the teaching of the *Made In The Image Of God* curriculum. Below is an outline of the content to be taught this term in Weeks 7-10. Please take the time to read through it and familiarise yourself with the content as your child may have questions to ask you during the course of the programme. Children will work in year level groups for this programme and in some instances gender splits may be arranged. If you have any further queries please see your class teacher at your convenience.

| | Key Idea: | Outcome: | Content: |
|---------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Rec & Year One | <i>Students explore the belief that sexuality is integral to the human person and develop an understanding of the teachings of the Catholic Church regarding human sexuality.</i> | <i>Celebrates God's gift of new life and explores the similarities and differences between gender and family structures.</i> | A sense of awe and wonder for the gift of new life. Ways of thanking God for the gift of new life. An appreciation of the dignity of the human person while developing an understanding of the differences between girls and boys. An ability to use correct terminology to name parts of the body. An appreciation of their body as a special gift. |
| Year Two | <i>Students explore the belief that sexuality is integral to the human person and develop an understanding of the teachings of the Catholic Church regarding human sexuality.</i> | <i>Celebrates God's gift of new life and explores the similarities and differences between gender and family structures.</i> | A familiarity with the story of their birth and welcome into their family and Church family. An understanding that love and life are nurtured within the family unit as part of God's plan for creation. An awareness that family structures take many forms. |
| Year Three | <i>Students explore the belief that sexuality is integral to the human person and develop an understanding of the teachings of the Catholic Church regarding human sexuality.</i> | <i>Responds to the belief that humanity is an expression of God's creative love and explores the distinct stages of human growth and change.</i> | An understanding of the developmental changes that occur from conception to old age. An understanding of how a foetus grows and develops. |
| Year Four | <i>Students explore the belief that sexuality is integral to the human person and develop an understanding of the teachings of the Catholic Church regarding human sexuality.</i> | <i>Responds to the belief that humanity is an expression of God's creative love and explores the distinct stages of human growth and change.</i> | An appreciation of the miracle of new life and growth as a sign of God's wonderful creation. An ability to identify and name parts of the body related to the reproductive system and a basic understanding of its function. An appreciation of the Catholic understanding of the purpose of sexual intercourse. |
| Year Five | <i>Students explore the belief that sexuality is integral to the human person and develop an understanding of the teachings of the Catholic Church regarding human sexuality.</i> | <i>Appraises how physical, social and spiritual changes occur in themselves and others and appreciates that his/her sexual identity is critical for developing as a mature person.</i> | A respectful attitude towards self and others as changes occur during puberty. A basic understanding of the female and male reproductive systems. A recognition of the physical, social, emotional, spiritual and intellectual growth and development that occurs in males and females during puberty. |
| Year Six | <i>Students explore the belief that sexuality is integral to the human person and develop an understanding of the teachings of the Catholic Church regarding human sexuality.</i> | <i>Appraises how physical, social and spiritual changes occur in themselves and others and appreciates that his/her sexual identity is critical for developing as a mature person.</i> | A deeper understanding of the female and male reproductive systems. A recognition of the physical, social, emotional, spiritual and intellectual growth and development that occurs in males and females during puberty. An understanding of sexuality as a gift from God who calls us to use it respectfully |

Book Week

We had a spectacular if slightly cold and wet parade.

BOOK WEEK PARADE 2021

Curriculum Corner

“Fill your house with stacks of books, in all the crannies and all the nooks.”

Dr. Seuss

Reading with your child

Book Week is a great reminder for us of why it is so important to read with your child. This does not mean listening to them read a reader (which is also very important) but enjoying books together even if they are not at your child's reading level.

Whether you're reading a classic novel or fairy tales before bed, reading aloud to children can significantly benefit your child's life.

NAPLAN Results

The NAPLAN results have been released and they will be sent home to all Yr 3 and 5 parents in the coming weeks. If you would like to discuss the report with your child's class teacher, please contact with them.

Leader of Learning and Inclusion

PARENT WORKSHOP: RESILIENCE, THE HEART OF WELLBEING

| | |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------|
| DATE | Wednesday 15 September |
| TIME | 7.00 pm – 8.30 pm |
| VENUE | Christ the King School Hall - 126 Dunrobin Road, Warradale |
| PRESENTER | Michael Lincoln |
| COST | N/A |
| PLACES | Limited to 100 – masks and COVID check in is compulsory |
| REGISTRATION LINK | https://registrationcentre.cesa.catholic.edu.au/event-4446823 |
| PASSWORD | Resilience150921 |

WORKSHOP DESCRIPTION

This workshop will explain the neurobiological development of children aged 0 – 6 and adolescents 9 – 17. It will discuss some of the key parental and family interactions that underpin healthy neurological development, the foundations of emotional regulation, the skills for developing and maintaining peer relationship and engagement with learning. Further, it will explore how these things promote resilience and enhance the experience of wellbeing.

ABOUT THE PRESENTER

Michael Lincoln is a teacher within Catholic Education South Australia. His current role is an Education Advisor: Engagement and Wellbeing within the Learning Diversity and Wellbeing Team in the Catholic Education Office. In this role Michael works with schools to support teachers to understand the causes of student inappropriate behaviour and develop strategies to modify the behaviour or assist it to stop. Michael has a keen interest in the power of Restorative Practices to assist children and young people to develop conflict resolution skills and transform school communities. For the last 9 years Michael has worked closely with The Australian Childhood Foundation to understand early childhood and adolescent brain development and the importance of strong, healthy, nurturing relationships for self-management, social engagement, resilience and learning.

Uniform Shop

Please note that Term 4 marks the beginning of students wearing their summer uniform.

DUE TO COVID-19

A PLAY ABOUT CREATING POSITIVE MENTAL HEALTH
 Created By Alirio Zavarce and True North Youth Theatre Ensemble

R U OK? DAY
 Thursday, 9th of September 2021
 1:00pm & 6:30pm
 Friday, 10th of September 2021
 10:30am

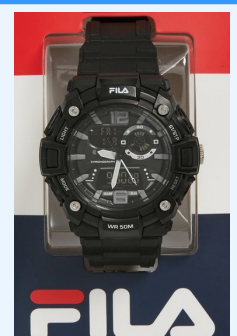

When we talk about mental health, we usually focus on the problems, but what if we switched the script to focus on what creates positive mental health instead? Mental is a play specifically designed to facilitate this important conversation between young people.

Marion Cultural Centre. Tickets available at <https://www.trybooking.com/BTOPF>

A watch has misplaced at school. If found please return to school office. Thank you

Scholastic Book Club

**VOLUNTEERS
NEEDED**

Issue 6 catalogue has been distributed to families

BUT

If no one offers to volunteer to coordinate we will not be able to continue with the Scholastic Book Club.

Our school is looking for a new **Book Club** Organiser.

Help us raise readers in our community! Running **Book Club** keeps the reading momentum rolling all year long by providing children and families with regular access to age-appropriate and affordable books.

Our school benefits too! Every **Book Club** order earns **Scholastic Rewards**, which help us purchase additional learning and literacy resources.

Keen to make a difference? Contact the school

 **SCHOLASTIC**

Dear Parents and Caregivers

Twice per term, your child(ren) will receive an “all-ages” catalogue from Scholastic Book Club. Book Club is run by volunteers at CTK to promote a love of reading and as a fundraiser for our library. Every purchase adds resources to our school library: 20% of your purchase is returned to CTK as credit to spend on Scholastic materials of our choice for our library. This makes a BIG difference to our library budget and helps keep our library fresh and relevant, so a very big thank you to everyone who has participated in the past! If you have friends or relatives who would like to access Book Club and support our school by making purchases, spare catalogues can be obtained from the office.

To pay for your Scholastic books, transactions are done via LOOP, either online or via the phone app. Instructions are on the back of your catalogue. It is our school policy not to take cash.

By default, all purchases are sent home via the classroom. However, the LOOP system does have a tick box allowing parents to mark their purchases as gifts. If you do this, your purchase will be held for you in the school office so you can sneak it home. Look for the tick box at the top of the order form near your child’s name.

If you would like to purchase from Issue 6, orders need to be placed on LOOP by Friday **10th September**. Your form **should not** be returned to school. Please remember, to protect your order, we do not take cash for Book Club.

Thank you for helping us provide a great library for everyone at CTK!
