

Newsletter

From our Principal

Dear Families,

It's amazing to see that the end of the school year arrived so quickly, I can't believe that this is the last newsletter of the year. I want to thank you all for the support and partnership throughout this year.

There are countless people to whom I owe an expression of gratitude and hope that we continue working together in the coming years. So many of you have helped in different ways and our members of the P&F have been committed and generous with their time and energy. All parents are an essential part of our school community as we all work towards providing the best environment and outcomes for our students to be thriving people and capable learners for the world that God desires.

I would like to thank our hard working and caring staff who have made a difference to our students. Their commitment is wonderful and our students are the beneficiaries. Thank you for providing rich and engaging, well-rounded experiences for our kids and knowing that education is about wonder and fostering curiosity, along with development of social skills so needed to succeed.

Our office staff are always ready and willing to help all our families, children and the wider community. For their endless energy and smiling faces, thank-you.

Last night we celebrated a beautiful Mass and Graduation Ceremony for our Year 6 students and their families. It was so wonderful to see how much our Year 6 students have all grown, changed and flourished and they will take some treasured memories and life-long learning skills from CTK with them as they embark on the next phase of their learning journey. All the Year 6 students shared their memories, thoughts and hopes about CTK in their Graduation PowerPoint. I would like to share one of those with you from one of our Year 6 students, "I love this school so much, I will always remember it."

In closing, I take this opportunity to congratulate all students of Christ the King School and the wonderful gifts and talents that you share with us every day. Please be sure to take time as family to talk, play and just be together.

May the blessings and peace of Christmas be with all our CTK families and I look forward to seeing you in 2022.

Blessings

Helena Card
